

MASTERPEACE WALK

NEPAL 2019

6-15 NOVEMBER 2019

LEARNING FROM NATURE

**BUILDING BRIDGES
BETWEEN CULTURES**

**NEW INSIGHTS IN YOUR
PERSONAL LEADERSHIP**

With great pleasure we invite you to join us on an unique 10-day experience in Dhading area, Nepal, home-base of our local Masterpeace Club. Dhading area is blessed with natural splendor, colourful culture and inhabited by the indigenous and resilient People of Brahman, Chhetri and Tamang. You will discover and experience their culture and rituals, as for 6 days you will walk, live and sleep in nature together. You will enjoy the company of a group of 40 people; 20 locals and 20 westerners.

This journey is a deeper experience in which you will connect, discover and learn from nature, culture and your own personal leadership. Santosh Bidari and his team of Masterpeace Nepal will host this event and invites you to join. Enjoy the company of unique warmhearted people, walk and talk about life and work in challenging times, learn about the Nepalese, Hindu and Buddhist traditions and discover the work of our local Masterpeace club.

You will

- Disconnect from western civilization
- Reconnect with nature and yourself
- Walk 6 days in an area of 1000-2000 meters altitude
- Enjoy a healthy environment and organic food
- Add value to the local community

"I look forward to bring together people regardless cast, faith or cultural background. The 3rd PeaceWalk will be a lifetime experience, with Nature and real Happiness at the heart of it."
